

GuardianShield®

Med Spend Analyzer

Quickly assess medication spend. Uncover savings.

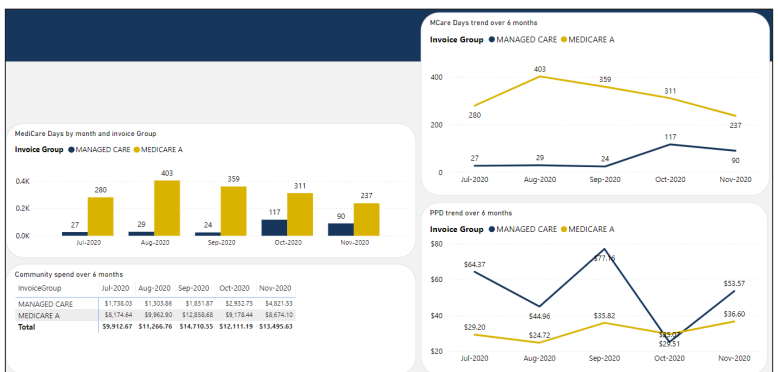

As a true partner in your business, Guardian is committed to helping you control medication costs, increase profitability and better manage your bottom line.

With GuardianShield Med Spend Analyzer, our pharmacies help you analyze and optimize your pharmacy spend, providing you with complete transparency into your overall medication expense. Critical business information that once took hours to compile, is now available in minutes in easy-to-understand, actionable reports.

How it works

Our Med Spend Analyzer allows you to view your pharmacy spend in a myriad of ways to help better manage your business. With summary and detailed-level reporting, you can evaluate your community pharmacy spend:

- On a month-to-month or historical basis
- Drill down by medication and resident
- Quickly identify trends vs. one-time changes
- Compare number of Medicare days, pharmacy spend per day, non-covered meds and more.

Increase profitability and control your bottom line
